

SERVE YOUR FACE OFF!

Guidelines for Teams

1. All teams must register here: <https://vibrantchurch.ccbchurch.com/goto/forms/400/responses/new>
 - List all team member names, select a team name, designate a score keeper, etc. Registration is now OPEN.
2. Suggested cap on participants is 6-7 people. This can be friends, couples, family, whomever!
3. Teams are encouraged to stay together for each project to count. If all team members cannot participate for each serve, we encourage approximately 50% participation.
4. We encourage each member of each team to tag photos to #serveyourfaceoff each day that a project is completed. We would love to see each project have its own post for points to count.
 - For example, if Team A mows a lawn and puts up shopping carts on Saturday, folks on that team (with a social media account) will make one post on mowing and one on carts, both posts on Saturday.
 - Projects can happen in any community! See attached list of ideas and point value. If you do something unique, just email Laurel for point value on that item.
5. Point accumulation begins **Saturday, July 10 - Friday, July 16** at midnight.
6. Online TALLY sheet is available here: <https://vibrantchurch.ccbchurch.com/goto/forms/399/responses/new>
 - If you utilize a written score sheet instead, please submit a photo by email to outreach@VibrantChurch.com and it should include the following:
 - Date
 - Leader/scorekeeper
 - Team Name

Contact Laurel Jones, Outreach Director with any questions!
